106/20PD To consider updates to the planning process for East Anglian One offshore windfarm and the draft letter from Anglian Energy Planning Alliance (AEPA):
The Committee re-iterated the Council's position which is to restrict consideration generally to how energy projects may impact on Saxmundham and noted concerns about additional road and rail traffic through the town during the construction phase, as well as the potential for house price increases (sale and rent) should well-paid workers in the energy industry and their families settle in Saxmundham. The Committee noted that the Town Clerk had already signed and sent the round-robin letter drafted by AEPA inviting the Secretary of State for Business Energy and Industrial Strategy to visit the area.

107/20PD The next meeting of the Planning and Development Control Committee will be at 6pm on Monday 22nd February 2021.
