Dear Mr Ellis,

Thank you for contacting my office recently to raise your concerns over planning application LCC/2019/0028 for a potential landfill site on Parbold Hill.

I have brought your concerns to the attention of Mr Stephen Young, Executive Director of Growth, Environment and Transport at Lancashire County Council, and Mr Anthony Swarbrick, Operations Manager (Lancashire) at the Environment Agency, to raise the concerns about the scale of the landfill, the short notice for this application and increased traffic and congestion on an already busy A5209.

I would also like to thank you for inviting me along to the meeting in Parbold on Tuesday 16 July, but must unfortunately offer my apologies as I am required to be in Parliament. Please do keep me informed of any outcomes from the meeting.

I will contact you again once I have received a reply from the agencies.

Yours sincerely,

**ROSIE COOPER MP
